Nomination Info

2.   **Nomination Information**

a.   Please select the type of award you are being nominated for (select only one). If you are being nominated for more than one award, you must create a separate nomination for each award. Note that candidates may be nominated for one award, plus the CCS Inclusive Excellence Prize. Candidates can also be nominated for the CCS Inclusive Excellence Prize alone.

○ Inclusive Excellence Prize

○ Lifetime Contribution Prize

○ Robert L. Noble Prize

○ O. Harold Warwick Prize

○ Bernard and Francine Dorval Prize

○ William E. Rawls Prize

b.   Is this a renomination?   ○ Yes   ○ No

Nominee info

3.   Nominee CV

Attach an up-to-date version of your CV in PDF format. Consult the Nomination Guide for complete instructions, including the required format.

NOTE: For the file name, please use the following format:[lastname_firstname-CV].

4.   Justification for career interruptions

Describe any career interruptions or delays that may have impacted your academic career and research productivity. Please include the start and end dates of each period described (yyyy/mm). Period described will be taken into consideration when calculating career stage of nominees. COVID-dependent interruptions will be automatically taken into consideration. If not applicable, please indicate this in the form.

Your justification should not exceed 1250 characters (including spaces), or roughly one full page, single spaced. Note that the character count may be different when copying text from Word due to formatting.

Release form

5.   Release Form

☐   For successful nominations, the nominee must declare their understanding that CCS will post award results on our website and potentially include a summary of the nominee's research accomplishments and impact in our reports to donors/the public, press releases, social media or other communications.

Nomination Dossier

6.   Nominator

6.a. Nominator Information

       Last Name:

       First Name:

       Department:

       Institution:
